To the worshipful the county court of Brunswick
in Chancery sitting

The answer of Edw B Tucker to a
bill up exhibited in this court by Eliza Ingram Green
George W Damron calling himself a administrator of
Bartholomew Damron & other complainants against
this respondent as the administrator of Christopher
Damron and the unknown children of Johnson W Daniel
and the wife of Anderson & the wife of
this respondent claiming all benefit of exception to the
error and omissions of said Bill. For answer thereto says
That it is true as stated by the complainants that he is
the administrator of Christopher Damron deceased
and that he holds in his hands as part of the estate of his
intestate the sum of \$2580. 79 cents with interest thereon
from the 3rd day of April 1856 as appears from the report of
commissioner D J Claiborne of the 2d of June 1856, a copy
of which the complainants filed with their bill. Your respondent
does know of no debts existing against the estate of his
intestate & therefore there are none, as the intestate
has been dead many years and he knows of no
valid objection to the distribution of the assets in his hands
among the heirs of the said Christopher Damron, if they
are really heirs. Of the complainants your respondent
knows nothing, they may or may not be the next of kin of
his intestate. Your respondent has no inclination to retain
the estate in his hands, it came into his hands by virtue
of the letters of administration conferred by this court, and
he holds it subject to the order of this court and only asks
that he may be protected by its order as it is with him
he is in the hands of the court to be disposed of with his
estate as the court shall see fit.
